# A splendid selection for 2025

One quarter of the way through this century. How time flies when you're busy, and busy we are as we enter our 27th year.

Art in Beer kicks off the new year. It contains works currently for sale from a selection of our top artists. Some, like Mike Bernard RI, have been with us since we started; others like Emma Bowring are new to us, the fruit of our constant quest to find inspirational work.

## Art Fairs and delivery

As well as our two galleries in Beer we exhibit at Affordable Art Fairs (AAF) in London three times a year and in Hong Kong and Singapore. Astonishingly we celebrated our one hundredth fair in 2024.

Delivery worldwide is of course part of our service.
